

Summer Program Leader, Part Time, Paid

Position: PROGRAM LEADER, PART TIME, M - F, (about) June 28-July 30, 2021

Pay: hourly, depending on education and experience

Multiple positions, Open until filled, Applications reviewed daily.

Job Description: Program Leaders are the most valuable members of our organization! Summer Program leaders supervise, mentor, and assist girls ages 6-14 in our summer programs. Program Leaders plan daily activities like reading, health education, arts, crafts, computer projects, outdoor physical activities, and lead homework time.

Our Summer 2021 Summer Program Leaders might need to plan for a mix of in-person activities and virtual.

Program leaders build meaningful relationships with our girls and serve both as a teacher and trusted mentor.

This position provides many opportunities for someone who has a passion for working with children. We have a diverse staff, with a wide array of interests and encourage creativity; we leverage a persons interests and strengths into our program.

Program Leader Expectations

- Plan, modify, and deliver culturally relevant enrichment activities
- Help girls build positive relationships;
- Assist girls in grades 2-8 in activities;
- Passion for designing and facilitating activities with children;
- Work as a team member with staff;
- Help create a safe, respectful learning and work environment;
- Be a role model;
- Facilitate conflict resolutions;
- Shows flexibility, initiative, and creativity in all areas including problem solving;
- Help keep program space organized.
- Promptness and dependability;
- Warm, positive, supportive attitude

Program Leader Qualifications

- Persons of color strongly encouraged to apply
- Experience facilitating activities with children and youth required
- Ability to spark curiosity, creativity, and confidence in others
- Passion for encouraging girls in their academic and creative interests
- Bilingual Spanish/English a plus
- Experience working with diverse and multicultural communities;
- Discretion and trustworthiness with confidential matters relating to kids and their families;
- Sensitivity to children's needs;
- TB test and fingerprint clearance.

About Girls to Women: Girls to Women partners with families, other local youth development agencies, and local schools to provide a nurturing environment supporting school-aged girls' healthy development each year. At the core of our youth development approach is respect for the abilities, knowledge and potential of each girl we serve. They thrive among the positive, culturally reflective female role models they find at Girls to Women.
